

APPLICATION

(Drill, Equip, Complete, Register, or Alter the Size of a Well) MENARD COUNTY UNDERGROUND WATER DISTRICT

All proposed well locations must be approved by the District prior to drilling. This notice of intent to drill may be mailed or emailed to district staff for review. Drilling may begin immediately upon receiving the signed Certificate to Proceed with Drilling by District Staff. The drilling of a new well is at your own risk and subject to the rules of the District.

INSTRUCTIONS: Please complete all applicable questions. Please type or print.
